

Quality Policy:

We undertake to ensure through instruction, practical example and training that Quality is the aim of all members of the Organisation and that each employee has a proper understanding of the importance of the Quality System function and its direct relevance to the success of the Organisation through application of the QMS and the guiding principles of ISO 9001: 2015.

The company will:

- Continually improve effectiveness of the Quality Management System and meet all of our legal and regulatory requirements
- Provide the resources needed to manage the system
- Provide a framework for establishing and reviewing quality objectives
- Ensure the quality objectives are communicated, understood and implemented within the organisation
- Establish quality requirements for suppliers, partners and contractors and hold them accountable to comply
- Maintain and improve the Quality Management System and ensure it is reviewed at the management review, at least annually, for suitability and effectiveness
